**IN THE GAME IN PEABODY, MA TO OPEN IN MID MARCH 2019**

PEABODY, MASSACHUSETTS (February 6, 2019) – In The Game is bringing new excitement to families and young adults in Peabody, MA with a grand opening scheduled for March 2019, as beloved children’s entertainment center, Bonkers Funhouse, gets a new home in Saugus Mall.

With In The Game currently being built directly beside Bonkers Funhouse, the children’s entertainment center will close temporarily in late February 2019, but looks forward to relocating to Saugus Mall in Fall 2019 with a larger venue and all-new attractions. In The Game and Bonkers Funhouse are both owned and operated by Family Entertainment Group LLC (FEG LLC), an industry-leader in game-room design, development, consulting, and operations.

With a footprint of approximately 30,000 sq. ft., the new In The Game will feature a massive, state-of-the-art arcade with nearly 100 of the best games. Other attractions will include mini bowling, multi-level laser tag, virtual reality gaming, a climbing wall and a multi-level sky trail.

The gaming isn’t the only thing to get excited about - In the Game’s a full-service restaurant will boast a carefully-crafted menu with chef-prepared selections, such as juicy steak, signature burgers, specialty pastas and brick oven pizza. Guests will also enjoy a full bar with signature cocktails, as well as draft and craft beer selections.

In The Game will serve as Peabody’s premier party and events venue with five private party rooms and a exclusive lounge area available for birthday parties, company gatherings and various celebrations.

FEG LLC is proud to bring more than 100 new jobs to the Peabody area with the addition of In The Game. Currently, full- and part-time positions are available. Those interested in joining the team learn more by visiting www.inthegamepeabody.com.
